

## LOADSAVER

The Load saver is our extra heavy duty grade black/white polyethylene truck tarp with double-thick perimeters, oversized grommets in each corner, and reinforced D-rings every two feet.

The tarp is built to last with extra U.V.I. treatment, super strong fabric, heavy duty rope in the hem, and sewn reinforcements at each grommet and D-ring.

14x14 Weave – 1200 Denier Yarn – 13 to 14 mil Thick

8.49 oz. per Square Meter / 7.07 oz. per Square Yard

Heavy Duty Grommets in each corner

Stainless Steel D-Rings every 2 Feet on sides

5mm Rope in the hem

100% Virgin Resins: NO fillers

Extra U.V.I Treatment: 5% U.V.I. treatment in yarn & coating
